ABUNDANCE

*“If you want to sing out, sing out. And if you want to be free, be free. Cause there’s a million things to be. You know that there are.” – Cat Stevens*

In peace, fields are prepared and brought to harvest. In peace, rainbows are chased and potential is realised. Conflict brings famine and hunger. In anguish, dreams are flightless, wings are clipped. Invest in peace, and abundance will follow. Tend the seeds of gold in your heart and reap a prosperous harvest.

## **Divinatory Meaning:**

Support through a challenge. Act decisively for the future. Turn your heart, head and hands away from an immediate worry and towards a brighter future. Stand up to and against abuse.

## **Affirmation:**

The universe is limitless. There is more than enough. The earth is forever. There is more than enough. My heart is endless. There is more than enough. My mind is boundless. There is more than enough. Ideas, solutions, opportunities, creativity, love, kindness, compassion and peace abound.

# ACCEPTANCE

*“You change the world by being yourself.”*

– Yoko Ono

You are a child of the universe, birthed in perfection. Honour yourself and the world that gives you the miracle of life.

You are here for a short time. Celebrate your presence. Share your beauty. Delight in self-love. Rejoice at the beautiful being you are.

## **Divinatory Meaning:**

‘What could have been’ is a time-wasting illusion. Your time is precious. Your full presence is required. Accept the challenge to love yourself. Embrace the beauty inside you. Share it with others to build a brighter future.

## **Affirmation:**

I like myself. I am free to be who I am. Life is a miracle, and I am a part of that miracle. It is a joy to be alive. My happiness brings happiness to the people around me. Self-love is contagious. I spread love wherever I go.

# ACTION

ACTION

*“Change your life today. Don’t gamble on the future, act now, without delay.”*

– Simone De Beauvoir

Peace is not passive. It is an innate longing, and an active pursuit. Peace does not idly wait for better days. It walks shoulder to shoulder with justice. It anticipates, nurtures, defends, heals, supports, caresses and orders troubles away. Quest for peace, claim it and take it to the world.

## **Divinatory Meaning:**

A dream will remain merely a dream unless you do something about it. Make something happen. Take strong, decisive action for yourself or on behalf of someone else.

## **Affirmation:**

I love this life. I care for it, nurture it and prepare for it. I tend to life as an attentive lover, anticipating its needs, shouldering its burdens and championing its successes. Beautiful life, I adore you. Action makes perfect my noble intentions. I act for peace. I act for life.

# AWAKENING

AWAKENING

*“It matters not who you love, where you love, why you love, when you love or how you love, it matters only that you love.”*

– John Lennon

Rays of golden light break the darkness and the full splendour of creation is revealed. Open your senses, heart and mind to take in the world as it is. Let magical reality flood over you, prickling your skin, amplifying your awareness. Take this watchfulness within and realise your inner wonder.

## **Divinatory Meaning:**

A veil is lifted. A shock or surprising revelation. A decision is easy once a truth is made evident. Let go or retreat and something will reveal itself to you.

## **Affirmation:**

I drop the veil, pull back the curtain and open the doors to the light of day. I am ready for truth. I am ready to see, hear and feel with certainty. I am ready for clarity. I am at peace with reality. Today, I awaken.
